

Protecta-Weave

BUBBLE FOAM WEAVE

- TRIPLE LAYERED PROTECTION
- TOUGH AND DURABLE
- EASY TO APPLY

Versatile Three In One Protection Solution

A durable triple layered protection solution that is easy to roll out and tape down

Key Benefits:

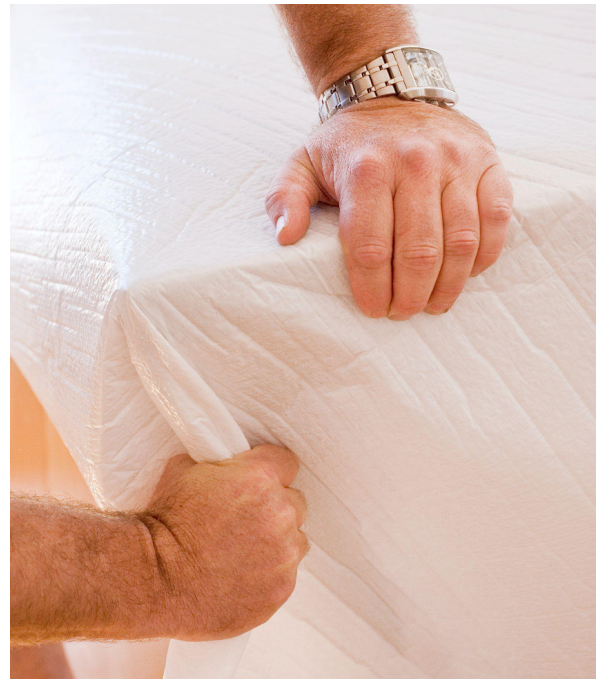

- Three layers - laminated woven top, bubble middle and a polyfoam underside.
- Excellent impact protection - cushioning and scratch protection for sensitive finishes
- Water resistant - barrier against dirt and moisture

Main Applications:

- Tiles, stone, marble, concrete, vinyl, timber, laminates, joinery, benchtops, polished floors and other valuable finishes
- Exposed edges including handrails, balustrades, and floating staircases

Key Recommendations:

Apply Edge Tape (ET-100) to the surface to be protected, place Bubble Foam Weave on top and secure with a higher strength tape such as Protecta Sheet Tape (PST48).

CODE	DIMENSIONS	COLOUR
BFW155	1.5m x 50m	White

Temporary surface protection is designed to protect surfaces from superficial damage. Users should ensure that the substrate can take the weight of any equipment or materials being used regardless of protection being in place.
