PROTECTA®

Protecta Premium Heavy Duty Cloth Tape

✓ Hand Tearable ✓ Heavy Duty ✓ UV Stabilised

A high tack premium grade cloth tape with a hand-tearable design for fast and easy application.

Key Benefits:

- High tack and heavy duty
- Fast and easy to apply
- Long term application
- Weather resistant
- Easy to hand tear in both directions
- Sticks to smooth, rough and uneven surfaces

Main Applications:

- Internal and external use.
- Premium joining tape, recommended for tough boards like Protecta Board XTRA.
- Joining MDF and floor protection sheeting, including Protecta Flute, Protecta Shield and Protecta Weave.
- Pair it with the Protecta Tape Applicator to tape large-scale areas with ease, giving you faster and straighter tape lines with less physical strain.

Important Information:

The purchaser/user must ensure that an appropriate tape is used in every taping application that will not adversely affect the finished surface or product.
