

PROTECTA®

Protecta Film Carpet

✓ Easy to Apply

✓ Trip Safe

✓ Self-Adhesive – No Tape Required

This simple adhesive film is easy to roll out and sits tight against walls or skirtings to maximise your floor protection.

Key Benefits:

- Specialised self adhesive technology
- Trip safe – stays securely in place
- Easy to apply tight against walls and skirtings
- Clear film facilitates set out and marking out, allowing you to detect and rectify damage that may occur during works
- Use with applicator for quick application
- Custom printing available.

Main Applications:

- Effective temporary protection for carpets
- Stable stair protection
- Quickly deployable walkways

Important Information:

- Generally suitable for synthetic/nylon carpets only
- Not for use on hard surfaces
- Not recommended to leave applied for over 30 days

Code	Dimensions
CS5	0.5m x 100m roll
CS8	0.8m x 100m roll
CS10	1.0m x 100m roll
PFA10	Protecta Film Applicator

Temporary surface protection is designed to protect surfaces from superficial damage. Users should ensure that the substrate can take the weight of any equipment or materials being used regardless of protection being in place.
