- Low tack adhesive underside
- Easy to apply and reposition

#### Main Applications:

- Suitable for vertical surfaces, including windows, doors, and lift/elevator walls
- Ideal for horizontal surfaces including stairs, floors, worktops or joinery
- Adheres to any smooth, uncontaminated surface

| Code      | Dimensions    | Thickness |
|-----------|---------------|-----------|
| PFE1025-2 | 1m x 25m Roll | 2mm       |
| PFE1025-4 | 1m x 25m Roll | 4mm       |

Temporary surface protection is designed to protect surfaces from superficial damage. Users should ensure that the substrate can take the weight of any equipment or materials being used regardless of protection being in place.
