

PROTECTA®

Protecta Rubber

✓ Tough & Durable

✓ Reusable

✓ Waterproof & Heat Resistant

Engineered for versatility, it serves as a resilient shield on public walkways, site offices, and lunchrooms, boasting toughness, water resistance, and slip-resistant features for optimal protection.

Key Benefits:

- Extremely tough and durable
- Water resistant
- Easy to cut to size
- Slip resistant with embossed surface.

Main Applications:

- Protection of finished floors & sensitive surfaces both inside & outside.
- Public Walkways & thoroughfares
- Multi-purpose material for temporary floor covering in site offices & lunch rooms

Code	Dimensions	Colour
PR1215	1.2m X 15m Roll	Grey

Temporary surface protection is designed to protect surfaces from superficial damage. Users should ensure that the substrate can take the weight of any equipment or materials being used regardless of protection being in place.
