

PROTECTA®

Protecta Sound Curtain

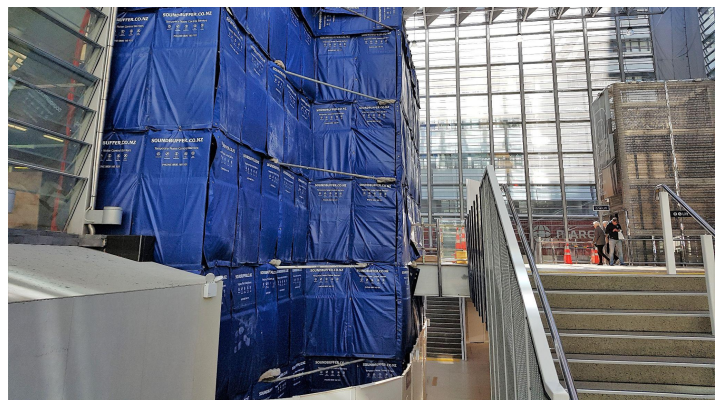

This heavy duty enclosure is perfect for creating a weather and sound-proof space for noisy and dusty works.

Key Benefits:

- Noise reduction up to 32dba
- Excellent sound absorption
- Weatherproof
- Flame retardant
- Easy to transport
- Velcro join provides a tight vertical seal
- Multiple eyelet holes for ease of installation

Key Benefits:

- Hang the Protecta Sound Curtains with cable ties to temporary fencing or scaffolding, or attach them directly onto the work zone face of an existing wall or hoarding.
